## RULES AND ORDERS.

By the Proclamation of Government, dated the 29th October, 1819, the provisions of which took effect from the 1st of December last, the Court is composed of four Commissioners and the Jurisdiction is extended to sums of 400 Rupees. Every Plaintiff who puts a Defendant into Jail in execution is required to lodge with the keeper of the Jail, or his Deputy, within three days after the commitment, Diet money for one month, at the rate of one anna and six pie per day and so on for every succeeding month, during which he may be detained, and on failure of such lodgement, the Defendant is released.

Every Prisoner confined in execution, is entitled to his discharge at the expiration of one month from the date of his commitment, if the Debt and Costs for which he is confined do not exceed Sixta Rupees Ten.

If they exceed Ten, and do not exceed Fifty, at the expiration of four months.

If above Fifty, and not exceeding Two Hundred Rupees, eight months, and for all sums above Two Hundred Rupees, one year.

The Property of such Defendants however is liable to seizure, until the Debt and Costs, and the Diet which have been paid them while in Jail, is satisfied.

The Court sit three in every week and all summonses, both English and Bengalee, are returnable on Mondays, Wednesdays and Fridays.

The Court sits at 9 o'clock in the morning from the 1st of April to the 1st of October, and at 10 o'clock during the remaining part of the year.

No person shall pay into Court any sum of money either as Costs or in performance of a Decree or Judgement of the Court or in compliance with any order of Court or on any other account whatever without a Receipt for the same under the signature of the Clerk of Court. Should any such payment be made without such receipt having been had and obtained the same shall not be deemed or considered as a payment into Court but held as if no such payment had ever been made.

**COURT DAYS.—Mondays, Wednesdays and Fridays.**

# Assessment Department.

---

**George Money, .... .. .... ....** Collector of Assessments  
**S. Laprimaudaye and F. J. Herondel, ... . . . .** Assessors  
**W. H. Smoult, ..... .... .... ....** Clerk of the Peace

---

**1st** — A tax is levied by the collector of the 2½-Pergannahs on all dwelling houses in Calcutta and the suburbs thereof, to the amount of 5 per cent on the annual rent, and on all shops or houses occupied as shops, to the amount of 10 per cent.

**2d.** — The rent of houses occupied by the proprietors is estimated by the rent paid for houses of the same description in the neighbourhood.

**3d** — No tax shall be levied on empty houses, the same being duly reported to the collector.

**4th.** — Religious edifices are exempted from the payment of taxes.

**5th.** — Notice shall be given to each person of the sum at which his house is assessed, and if the party shall think the assessment excessive, he shall represent the case to the collector; should he be dissatisfied with the collector's decision, he is at liberty to appeal to the judge, whose decision is final.

**6th.** — The tax is collected quarterly, and in cases of refusal or evasion of payment the collectors may levy the same by distress of the property of the occupant or proprietor.

**7th.** — Besides the above tax, a voluntary contribution is collected, according to the same rate, during 6 months of the year, under superintendence of the magistrates, to defray the expense of watering the roads.

**8th.** — The subscriptions for this purpose are collected in advance, viz. one moiety on the 1st January, and the remainder on the 1st of April.

**9th.** — The amount contributed by the inhabitants of each street, is applied exclusively to the watering of such street, and the watering commences annually, on the 1st of January, and terminates on the 30th June, or at the setting in of the rains.

**10th.** — The expense of watering the roads, from the Chowringhee sortie, to the Howringhee road, and the East and West angles of the government house, is defrayed by government.

Girls, until the age of 10 Years, at 14 Rs. & after 10 Years, to their Marriage, or until the age of 21 years, at 20 Rs. per month.

## REGULATIONS.

*For the Guidance of Commanders and others, belonging to Ships and Vessels resorting to the Port of CALCUTTA.*

---

1st. Commanders of Ships or Vessels, coming up to Calcutta, are to hoist a Blue Peter at the Main Top Gallant Mast head, on arriving abreast of Kidderpore, and to keep the same flying until the Harbour Master's Assistants shall have taken charge from the Pilot.

2d. On the arrival of any Ship or Vessel off Calcutta, or Kidderpore, (if the Vessel is to remain there) an Officer from the Harbour Master's Department will be sent on board, to moor her in a proper berth, and as near in a line as possible, leaving a sufficient space for ships to pass up and down the Churn L, next to the outer Buoys of the Moorings.—As the Harbour Master is held responsible for the movements of all Ships and Vessels to and from the Stream, requiring his assistance, the Officers of his Department are not to be interfered with in the execution of such important duty. After a Ship or Vessel is moored in a clear and safe berth in the Stream, she is not to be shifted, unless for the purpose of hauling into Dock, or to the Hon'ble Company's Moorings and except in cases of emergency.

3d. All applications to take in or cast off from the Moorings, or for other assistance from the Harbour Master's Department, are to be made in writing to the Master Attendant, who will direct the Harbour Master accordingly. Applications will be complied with according to priority of date.

4th. On Ships or Vessels arriving off Calcutta, they are to have their Jib and Driver Booms rigged in, as soon as practicable and remain so till the Pilot takes charge.

5th. Ships and Vessels laying in the Stream, or at the Hon'ble Company's Moorings, shall have at least one Anchor at the Bow, with a Cable bent, and ranged, ready for letting go at a moments notice.

6th. No Ship nor Vessel shall make any Hawser or Rope fast to any of the Hon'ble Company's Mooring Buoys except for the purpose of warping into a berth, under the direction of the Harbour Master or his Assistant.

7th. Serious accidents having taken place in transporting Vessels, from the circumstance of one Ship letting go another's warp, while in the act of moving, Commanding Officers are to permit warps to be made fast, and to keep them so, until requested to let them go.—All Vessels in the Port of Calcutta are enjoined to assist each other, while in the act of warping.

8th. Vessels Docking or undocking, are to have their Lower Yards down, and Top masts struck.

The Harbour Master's Assistant, in hauling Ships or Vessels into Dock, is to take care that the Waist Anchors are got up out of the Chains, and to see that no projections whatever, beyond the Ships' sides, (which can be removed,) be suffered to remain; also to shut in all the Ports and Scuttles.

9th. All Ships or Vessels moored in the Stream are to keep a clear Hawse and attend to the Helm, to prevent accidents occurring; Ships frequently having so many turns in their Cables, that they cannot veer away, and consequently are liable to go a drift, during strong tides, or blowing weather.

10th. Commanding Officers of Vessels are strictly prohibited from boiling Pitch, Dammer, or Rosin on board, to prevent accidents by fire. They are also prohibited from throwing over board Ballast, broken Bottles or Rubbish of any kind.

11th. Commanding Officers of Ships or Vessels laying under fours, or at any of the public Company's Moorings, or to slack down their Cables, to enable Vessels to pass over them, when required by the Officers of the Harbour Master's Department to do so.

12th. Ships or Vessels meeting with any accident, or causing damage to others while in Charge of an Officer under the Authority of the Master Attendant, have no claim on Government for such damage; but the parties concerned, are to represent the case to the Master Attendant, who will take such cognizance of the same as the merits of the case may appear to require.

13th In order to avoid misconception as to the responsibility of Government for the safety of Ships and Vessels making use of the public Company's Chain Moorings, the Governor General in Council has been pleased to direct that it be explicitly notified to the public that Government does not guarantee the safety of any Ship or Vessel, which may use those Moorings.

*Rates of Hire of the Moorings at Calcutta, Sulkeea, Coo'y Bazar, and Kidderpore, and other charges in the Harbour Master's Department.*

CHAIN MOORINGS.

JOHN HAYES,

Master Attendant.

MASTER ATTENDANT'S OFFICE,  
The 1st of February 1827.

## CHARGES OF PILOTAGE:

*TABLE of RATES of full and broken Pilotage, chargeable to all Ships and Vess'ls, inward and outward, of the River Hooghly.*

Draught of Water Feet	Full Pi- lotage inward	Additional Pilotage outward	Inward Proportion	Outward Proportion
9... 10..... 10	.. 100..		FROM SEA	FROM CALCUTTA
10....to ... 11	.. 120..		To Sangor ... 4-12ths	To Myapore or
11....to.... 12	.. 140..	10	To Kedgeree .6-1-1/2ths	Fulta..... 2-12ths
12....to.... 13	.. 160..		To Culpee.... 8-1 mns	To Dd. Harb., 3-12ths
13....to.... 14	.. 180..		To Dd. Harb. 9-12ths	To Culpee.... 4-12ths
14....to.... 15	.. 210..	20	To Fulta, or	To Keogeree .6- 2ths
15....to.... 16	.. 250..		Myapore.. 10-12ths	To Sangor.... 8-12ths
16....to.... 17	.. 300..		To Calcutta, full Pilotage ..	To Sea, full Pilotage
17....to.... 18	.. 350..	40		
18....to.... 19	.. 400..			
19....to.... 20	.. 450..			
20....to.... 21	.. 500..	60		
21....to.... 22	.. 550..			
22....to.... 23	.. 600..			

**NOTE.—The vessels of all Foreign Nations, now pay pilotage, as those under British colours.**

**N. B.—** By broken pilotage is meant, the proportion of full pilotage between the different stages, or places of anchorage. All ships, the property of Foreigners as well Asiatic as European, are subject to a further charge termed "Lead Money;" it being indispensably necessary, that the Pilot should have with him a leadsmen in whom he can confide, when in charge of other than British ships:—whenever a Lead-man is employed, the charge is 25 Rupees.

No Vessel shall be allowed to proceed to Sea until a Certificate is produced to the Master Attendant's Office from the Marine Paymaster that all the Port charges against the Vessel have been adjusted.

A consideration for detention, at the rate of two rupees per diem from British and foreign vessels, are charged by persons in the pilot service, who may be kept on board of ships at anchor by desire of the commander or owner.

## CLAIMS FOR PILOTAGE DEPOSITS.

Individuals having Claims on the Marine Department for the Balance of Deposits made at any time under the Rules of the Port for the Outward Pilotage of Vessels, are hereby requested to send them into the Office, where they will be examined, and the payment of the Amount, if found correct, will be authorized.

The following is the Form in which these Demands are to be set forth.

*Statement of the Amount of Deposit made for the Settlement of the Outward Pilotage of the undermentioned Ship (or Ships) which still remains to be accounted for by the Marine Department.*

Date on which De- posit was made.	Name of the Per- son by whom De- posit was made.	Vessel on account of which the Deposit was made	Comman- der's Name.	Port for which Vessel sailed	Amount of Deposit made.	Amount Outward of Pilotage ac- countable	Balance re- maining to be account- ed for by the Marine De- partment.

It will be necessary of course previously to any such Claim being heard, that a Receipt or other authentic Voucher should be produced in evidence of the Money sought to be recovered having been actually paid on account of Outward Pilotage into the hands of the Marine Pay Master.

MARINE BOARD; }  
the 12th of Feb. 1822. }

H. SARGENT, Secretary.

MARINE BOARD, 1ST JANUARY 1827.

Notice is hereby given, that with a view to the speediest possible adjustment of the Deposit Pilotage, the Master Attendant has been instructed, to require all Pilots in charge outward bound Vessels, to forward, previously to the Vessel quitting the River, Certificates in Duplicate, countersigned by the Commander, of the draft of water at which the Ship will leave Saigon, which can at all times be ascertained with sufficient accuracy for the required purpose. One of these Certificates will be annexed to the adjustment Pilotage Bill, and if transmitted regularly as directed, will enable Agents and others to obtain the adjustment without delay. — Ship Owners are therefore requested to direct the Commanders of Ships, which sail up at Kedgee or Saigon, to execute the transmission of the Certificates in question, immediately after all cargo, &c. is on board or in Ships which sail direct out, as they pass Kedgee. The Certificate of the Pilot having conducted the Ship or Vessel, in safety to Sea, may be still delivered as usual.

By Order of the Marine Board,

J. TROTTER, Secretary.

FORT WILLIAM. THE 7TH OF FEBRUARY, 1827.

Notice is hereby given, that—whereas in several late instances the Marine Board have been unable to recover just claims for sundry Port Charges, incurred after Ships have left Calcutta, such as for detention of Row Boats, and additional Pilotage Charges, arising from the original draft of Water given being considerable under the actual—it has been deemed expedient that the Commanders of all Vessels, from and after the 20th instant, shall, previous to their being provided with a Pilot, furnish the Master Attendant with a Guarantee of some responsible House, for the payment of all such charges. Copies of the form of application for a Pilot, and of the Guarantee will be furnished at the Banksnall.

By Order of the Marine Board,

J. TROTTER, Secretary.

1.—Parties, having any Claims on the Marine Department, are requested, on and after the 1st Proximo, to forward the same, for Examination and Registry, direct to the Marine Board, whence, if found correct, they will be transmitted without loss of time, to the Marine Pay Master, passed for Payment.

2.—To prevent, as much as possible, the Multiplication of unnecessary Correspondence, it is requested that Bills may be in general transmitted under a blank Cover, so described with reference to the Contents of the former; and that on the Face of the Bill itself, a reference may be made to the authority on which the Claim is preferred, and the Vouchers, if any, annexed to the Bill. In cases where the Claim has arisen out of Correspondence with the Board, a reference, by Number and Date, to the Board's Letter, sanctioning the charge will be sufficient.

3.—Of course when a Bill is presented on account of transactions which have not been previously before the Board, it will still be necessary to accompany the Bill with Vouchers, and an explanatory Letter.

4.—Any Bill, which may be found inadmissible, or to require correction, or further Voucher, will be returned to the Party as early as possible,

and should it not be so returned within the week, the Drawer will know that it has been passed to the Marine Pay Master, and may accordingly apply for the Payment.

By Order of the Marine Board,

J. TROTTER, Secretary.

MARINE BOARD. }  
THE 19TH OCTOBER, 1826. }

### REGISTER OF GRAPNELS, WRECKS, &c.

Notice is hereby given, that the Naval Store-Keeper has been instructed from the 1st Proximo, or the 1st of May, 1822, to keep a General Register, in which all Anchor'd Grapnels and Wreck of every description, which may have lost in the River Hooghly, and may be recovered by the Master Attendant will be entered, and that the said Register will be open every day, during the official hours of business for the inspection of the Public, with the view of facilitating the inquiries of those who may be desirous of identifying their Property.

2. A Copy of the Rules, also, under which the system of clearing the River by the Master Attendant is henceforward to be conducted, may be seen on application at the Naval Store-Keeper's Office.

H. SARGENT.

Marine Board, the 18th April, 1822.

*Secretary*

### MARINE COURTS OF INQUIRY.

Notice is hereby given, for the information of the Mercantile Community and others concerned, that under the Sanction of Government the following amended Rules for the appointment and guidance of Marine Committees of Inquiry, intended to investigate and report upon Complaints officially referred to the Marine Board, by or thru' the Master Attendant, against any member or Member of the Pilot Service, have been adopted and will be in force from the present date, viz.

1st. The Master Attendant or his Deputy shall ordinarily officiate as President of all such Committees.

2d. When the Master Attendant or his Deputy cannot preside with propriety, as in cases where either is Complainant, the Marine Pay-Master shall be nominated President, and, if he should be unable to attend, the Commander of any of the Hon'ble Company's Chartered Ships or Cruisers, or if no such Officer should be in Calcutta and able to officiate, some other eligible individual, by profession a Mariner, shall be selected by the Marine Board to preside.

3d. A Commander of some one of the Honorable Company's Chartered Ships shall be always appointed to sit as a Member of the Court, whenever such nomination can be made.

4th. In making arrangements for the formation of every Committee of Inquiry, Five Commanders in the Country Service, or as many as can be called upon if the number of such Commander in Calcutta shall be less than five, shall be apprized of the intentions of the Marine Board to appoint the Committee, and it shall be optional for the whole of those so apprized or any number of them best able to attend, to sit as Members of the said Committee of Inquiry.

5th. If no Commander in the Country Service shall, after being so apprized, think proper to attend, it shall be nevertheless competent for the remaining Members present to conduct the investigation and to report upon the subject of Complaint, as directed.

6th. Two Branch Pilots shall be nominated to sit as Members of every Committee of Inquiry.

7th. When any opinion, given on professional points, is only that of a Majority of the Committee, the Dis-sentient Member or Members shall be entitled to record in the proceedings of the Committee his or their dissent respectively, with the reasons which have induced him or them to dis-sent from the Majority, for the information of the Marine Board.

8th. The Judge Advocate shall be instructed in every case to take down Minutes of the proceedings and to conduct the Inquiry with the powers usually exercised by Judge Advocates in Naval and Military Courts of Inquiry.

Marine Board, the 28th Sept. 1822.

H. SARGENT, Secretary.

## STRAITS OF SINGAPORE.

FORT WILLIAM, DECEMBER 27, 1822.

The Most Noble the Governor General in Council is pleased to direct, that the following Copy of a Notification received from the Government of Prince of Wales Island, be published for general information.

## PUBLIC NOTIFICATION.

The Honorable the Governor in Council is pleased to direct, that the following instructions for passing through the North East Entrance into the Straits of Singapore, from the Straits of Dryon, by a Rout newly discovered by the Commander and Officers of the Honorable Company's Cruizer Prince of Wales, called " Phillip's Channel" be published for general information.

*Directions for passing through the North East Entrance into the straits of Singapore (from the Straits of Dryon,) or Phillip's Channel.*

After clearing the Middleburgh Shoal," either to the Eastward, or Westward a direct course may be steered for Cap Island, which lays near a Bluff Head Land on the Eastern shore. This Island bears, North East by North from the centre of the Middleburgh, Shoal and North North East  $\frac{1}{2}$  East from the centre of Red Island; on the bearing there is an extensive Reef of Rocks, distant one mile to the North West of the Twins, with a working wind and standing to the Northward, a Vessel ought not to approach too near it: this Shoal of Coral Rocks, is dry at low water, spring tides; when on it, the North passage Island bore South, Sanon Hill West, the Island of Red Island, South and by West, the soundings are from ten to seventeen fathoms round it, steep too. After leaving Red Island, Pulo Duncan is the first Island that will be distinguished from the groupe of Islands forming the Eastern shore. Pulo Duncan are two low woody Islands bearing North East  $\frac{1}{2}$  North distant eight miles from Red Island; in passing it to the Westward, it ought not to be approached nearer than one mile, as there are some Rocky Reefs, which surround it; from hence cap Island will be seen, and bears North East four miles and a half from Pulo Duncan, the soundings are from twelve to seventeen fathoms. cap Island or Rock so named from its appearance, is a Rock of perpendicular sides, flat at the top, and about forty feet in height and surrounded by a Reef of Rocks projecting out about three hundred yards, the soundings near it are from ten to fourteen fathoms, decreasing as you near the Island between it and the " Bluff Head Land," is a Reef of Rocks on which account it would not be advisable to go to the Eastward of Cap Island.

When abreast of Cap Island, Long and Round Island, and the Rabbit and Coney may be distinctly seen, a direct course may be steered to pass in Mid channel, between Round Island and Eastern shore, which is three and a half miles across, the soundings are from seventeen to twenty-two fathoms. Long and Round Islands ought not to be approached nearer than three quarters of a mile, as there are rocky Reefs round them. In working and standing to the Westward of the South end of Round Island go no further to the Westward, than to bring the Nock to the West end of Long Island, or with the centre of the Rabbit, as there are four rocky Reefs to the South West of Red Island; when on the South East end of the Southern Reef in a boat, Red Island was in one, with the Rabbit, the centre of Round Island East  $\frac{1}{2}$  South, the soundings are irregular near these Shoals and Long and Round Islands.

After passing Long and Round Islands, Singapore can be distinctly seen and a course ought to be steered for St. John's to clear the Buffalo Rock and a patch of dry Rocks to the South West of the Buffalo.

## AMHERST HARBOUR.

*The following Remark by Captain Studdart, Commander of His Majesty's Ship Champion, on the approach from Sea to the New Town of Amherst, at the entrance of Martaban River, are published for General Information.*

**¶** When Soundings are given, they are to be understood as having been taken at Low Water Spring Tides.

" Steering for AMHERST, with a leading wind, bring Cape Champion, (a small Is and assuming the appearance of a Cape, when well in with

Zabo,) to bear S. E.  $\frac{1}{2}$  S. and Zabo, (a small well wooded Island, about one mile S. b. W.  $\frac{1}{2}$  W. from the Pagoda,) E. b. S.—Pagoda E. N. E. and East end of Bebo Island, N.  $\frac{1}{2}$  E when ship's without a Pilot, or unacquainted with the place, may Anchor in 6½ fathoms. soft bottom, being in the fair way for Brisbane Passage, and as the pass is narrow, not exceeding twenty-five fathoms from rock to rock, with shallow knolls on either side, it would be advisable previous to its being buoyed, to sound through into the harbour. But should circumstances prevent that precaution, the following hurried remarks might conduct a ship through."

" Bring the centre of Zeabo E. S. E. about three Cables distant, and Cape Champion shut in by West point of Zeabo, then steer N. N. E. paying close attention to the Soundings, the depths varying in the Channel from three to nine fathoms, and in some places (by yawing a Cable's length on either side) from five feet to six fathoms, more particularly when Cape Champion opens about a sail's breadth to the Eastward of Zeabo—The Beacon (to be) on the Western extremity of the rocks forming the East side of the pass, will lead to near its centre, when bearing a little to the Eastward of Mid Channel, run through in six and eight fathoms general Soundings, steering for the first reach in the neighbourhood of Marraban River, N. N. E.  $\frac{1}{2}$  E. When to the Northward of the Reef, the water may be shoaled to four fathoms then steer to the Eastward for the Southern point of the entrance to the Kalyeen River, or for a Conical Mount, shewing a little to the Southward of the entrance, being one of the long range of the Yea Mountains, seen in the interior, and anchor in from two and a half to three and a half soft bottom, at any convenient distant from shore—Larger vessels, when in four fathoms, to haul in for the anchorage, should steer for a large well wooded hill on the Northern end of the Wagrew, or Campbell Range, and anchor in from three to five fathoms soft bottom. I would recommend mooring up and down the Tide, and during the S. W. Monsoon, the best bower to the Eastward. To run out through Brisbane Passage, steer towards (what I imagine to be a shoal, with a passage round it) though Middle ground, guided in the approach by the soundings, until the pass is opened, and when Zeabo shews to the Westward of the Pagoda, with five and six fathoms *halftide*, it indicates the fair way, when Cape Champion and Pagoda are in one, haul up a little more for the pass and when open then bore (as on entering) a little to the Eastward of Mid-Channel, and run through S. S. W.  $\frac{1}{2}$  W. When a Cable and a half to the Southward, keep a point to the Westward until Cape Champion opens West of Zeabo, from whence I had regular soundings, with muddy bottom."

" There is another Channel running close along the N. E. side of the reef with deep water, but running so near the rocks at the S. W. end of the Middle ground shoal, that I would not recommend its being used, except from necessity."

NOTE. " This harbour possesses, among other advantages, that of filling nearly two hours before the waters cease to flow in the River, and continues, with little variation, in depth, until the Ebb becomes general, offering the facility of a lake during that interval, to communicate with the Shipping, &c. &c."

" A like advantage is enjoyed by L'Hävre de Grace, arising from similar natural causes, being situated near the Mouth of the Seine, its Area is filled at nearly flood from the British Channel, and remains stationary nearly three hours. The Seine, and its tributary interior branches, receiving their quota in the interim, the returning Ebb is guided by the Sands at the Mouth of the River, rushes towards the harbour, where there not bev-

ing any backwater, confines what is already in, until a fall at some feet has taken place in the offing, proving a circumstance of peculiar importance to so confined a port as L'Hä se, and which may tend materially to the future benefit of the place now in question."

"The Velocity of the Flood Tide, at its utmost rate, is of no moment, the Ebb retiring with about double the force, in consequence of the Water from the Kalyen River being directed through the harbour after first quarter flood by the Diana Shoal. The extreme fitness of the harbour for Docks, (there being a rise and fall of nineteen feet,) although Undertakings to be reserved for other periods, should not be overlooked in the present view of its Qualities."

By Order of the Marine Board,

J. TROTTER, *Secretary.*

MARINE BOARD. }  
THE 22D OF JULY, 1826. }

#### THE 14TH OF MARCH 1827.

A Survey having been made of the James and Mary Shoal, by Captain Ross the Marine Surveyor General, and that Officer having reported in a very satisfactory manner as to its not being of that dangerous character which has been long imagined, and the Master Attendant having reported his opinion, that Vessels may be with perfect safety Piloted up and down the River at a greater draft of Water, than is now authorized; Notice is hereby given, that from and after the Date of this Notification, Pilots have under the Sanction of Government, been instructed to Pilot Ships at the following Drafts of Water.

*From March to September inclusive.*

	<i>Ft. In.</i>
From Calcutta to Diamond Harbour .....	17 6
From Diamond Harbour to Saugor .....	19 0
From Saugor to Sea, at the Pilot's discretion if above .....	23 0

## NOTIFICATION.

The following particulars, relative to the Extremities of the Eastern Sea Reef and Saugor Sand, and to the Positions of the Lower Floating Light Buoy, of the Floating Light Vessel, &c. are published for general Information.

The Master of the Floating Light Vessel has been directed, on no account, to quit the Position herein described, unless driven from his Moorings, or when obliged to come to Town to re-fit; on which occasions a Pilot Vessel will be directed to take up the Position, until the return of the Light Vessel.

*Extract from Report of Marine Surveyor General*

" It has been said that the Extremities of the Sands, at the Entrance of this River, have a tendency to increase to the Southward. By the direction of the Marine Board, I examined the Eastern Reef and Saugor Sand, and found the end of the former in  $20^{\circ} 59' 36''$  North Latitude, and  $88^{\circ} 12' 8''$  East Longitude; the end of the latter is in  $21^{\circ} 2' 9''$  North, and  $88^{\circ} 20' 57''$  East, being on the Meridian of Fort William Flagstaff. The Lower Floating Light Buoy is in  $21^{\circ} 7' 00''$  North Latitude, and  $88^{\circ} 12' 40''$  East Longitude. From it the South end of the Reef bears S.  $\frac{1}{2}$  W. distant  $7\frac{1}{2}$  miles, and the end of Saugor Sand E. S. E.  $\frac{1}{2}$  S.  $9\frac{1}{2}$  miles.

" By referring to Captain Maxfield's Chart of the Sand Heads, it will be seen that my observations place the end of the Reef  $1' 26''$ , and the end of Saugor Sand  $2' 9''$  more Northerly than is marked thereon. The Floating Light Station. I also make 4 Miles to the Northward of the situation assigned it on the Chart. In regard to the Longitude, I differ considerably from the Chart.

" My observations place the end of the Eastern Reef  $9' 22''$ , and the end of Saugor Sand  $15' 30''$  more Westerly; which difference partly arises from the Meridian of Fort William being erroneously said to be  $88^{\circ} 28'$  East of Greenwich; whereas, observations taken at the Observatory, and many Lunars reduced to the Flagstaff, give it  $88^{\circ} 20' 57'$  East

" The small difference in our Latitude is not likely to produce much inconvenience to Navigation; but the great difference in the Longitude may perplex the Navigation considerably; for if by departing from Madras, or any other well-determined Meridian, with good Chronometers, he is in possession of the correct Longitude, and shapes his course for the Floating Light, according to the Chart in  $88^{\circ} 25'$  East he will assuredly find himself  $12\frac{1}{2}$  Miles to the Eastward of its true position, and be steering to Lacam's Channel.

" The present position of the Floating Light is well chosen, as she serves both to mark the Eastern Channel, and also for deep Ships to cross over the Eastern Reef by her bearings. I beg leave to suggest that she should not be removed, or suffered to quit her station and Cruize about, being (in her proper station) a well-determined object by which the Navigator may examine his Chronometers after a long passage down the River, as well as to depart from

" The Reef Buoy at present bears about N. W. b. W.  $\frac{1}{2}$  Wt from the Floating Light, distant about 5 Miles, one Buoy being distinctly visible from the other.

" The Spit Buoy is in  $21^{\circ} 18' 00''$  North, and Longitude  $88^{\circ} 00' 27'$  East: it bears from the Floating Light N.  $46'$  W. distant  $15\frac{3}{4}$  Miles"

" The following Observations were made by myself while down the river "

Diamond Harbour Flagstaff, Latitude  $22^{\circ} 11' 14''$  North, and  $9' 52'$  West of Fort William Flagstaff.

Rangafulla Obelisk. ....  $22^{\circ} 1' 10''$  N.  $8' 10'$  W. of Ft. Wm. F. S.

Kedgeree Post Office, .....  $21^{\circ} 52' 34''$  N.  $22' 06''$  W. of do.

Kodgeree Light House: .....  $21^{\circ} 50' 18''$  N.  $23' 58'$  W. do.

Large Tree on Middleton Point. (which stands where the intended Light House on Saugor is placed on Maxfield's Chart,)  $21^{\circ} 37' 54''$  N.  $18' 47'$  W. of Ft. Wm. F. S

Tripod on Edmondstone's Island, .....  $21^{\circ} 30' 46''$  N.  $10' 46'$  W. of do.

Tripod at new Anchorage, .....  $21^{\circ} 43' 48''$  N.  $17' 57'$  W. of do.

Silver Tree Obelisk, .....  $20^{\circ} 57' 52''$  N.  $12' 15'$  W. of do.

"The differences of Longitude were measured by four excellent Chronometers, under favorable circumstances, three times between Fort William Flagstaff and Kedgeree Post Office, and five times between the latter and the Floating Light Buoy. The Latitudes are the result of several observations, taken at a short distance on each side of Noon, and reduced the etc. by Doctor Young's method—I therefore hope, that the positions, which I have given to the different points will be found correct, as every care was observed to obtain the same."

(Signed)

DANIEL ROSS,

*Marine Surveyor General.*

By Order of the Marine Board.

CHAS. B. GREENLAW,

*Secretary.*

*Fort William, the 13th April, 1829.*

### NOTIFICATION.

Notice is hereby given, that two Buoys have lately been laid down at the Entrance of Chittagong River, the particulars whereof, as reported by Mr. Branch Pilot Sinclair, are published for general information; viz.—One off Patanga Point, and the other on the Western extreme of the Flat running off Noman's or Norman's Point; the Northern Buoy is a Skeleton Buoy painted red, and an excellent mark to keep Vessels from running on Shore on the Reef off Patanga Point, either in working down or coming in. This Buoy ought not to be brought to the Eastward of N. by E.; it lays in two fathoms, low Water Spring Tides, and very steep, particularly to the N. W. I myself after laying the Buoy, shoaled from two fathoms into 4 feet at one east. The South Buoy is a 3rd Class Buoy, (Spire) painted black No. 15. This Buoy is an excellent leading Buoy into the River, and equally as good a mark for going out in the South West Monsoon, on a Flood Tide, running up Vessels may keep in close to Noman's Point from 4 to 3 fathoms; and by so doing run up in a line to the Buoy, without having less Water until you come close to the Buoy; on coming up close to the Buoy, I would advise the Officer in Charge to steer direct for the Northern Buoy until rather more than half-way between them, and then haul up N. E. for the Flag Staff. In crossing the Bar the best Water over is with the Black or Southern Buoy bearing N. E. to N. E. by N., carrying two fathoms low water. These Buoys I call the Northern and Southern Buoys, being marks for the entrance of Chittagong River. In the dry season, I have no doubt of the Sands shifting, and of their becoming more extensive, so that it will most probably require sailing directions for the N. E. Monsoon, as well for the S. W. I am in great hopes that the Buoys will ride well in the situation they are now placed, the Northern one being entirely within the Current of the River, and the Southern one in the weakest part of the Strong Current running outside, being placed as far in the Entrance of the River as could be prudently done."

### "Bearings of the Buoys"

"Flag Staff, N. E. by E  $\frac{1}{4}$  North Buoy, painted red, in two fathoms E., Patanga Point, N. by E., low Water Spring Tides." Noman's Point, S. E.  $\frac{1}{4}$  E. South Buoy, painted black, in three fathoms Point E. by S.  $\frac{3}{4}$  S. Northern low Water Spring Tides."

"Flag Staff, N. E.  $\frac{1}{2}$  E., Patanga Point North Noman's Point E. by S.  $\frac{3}{4}$  S. Northern or red Buoy N.  $\frac{1}{2}$  W. South Buoy, painted black, in three fathoms low Water Spring Tides."

(Signed)

P. G. SINCLAIR."

# BENGAL DIRECTORY.

---

## Part VIII.

---

A

L I S T

OF THE

BRITISH & FOREIGN

Inhabitants of Calcutta

AND THE

UPPER PROVINCES.

OF

BENGAL AND ITS DEPENDANCIES.

(NOT INCLUDED IN OTHER LISTS OF THIS WORK.)

WITH THEIR RESIDENCE, OCCUPATION, &c. AS FAR AS ASCERTAINABLE.

The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they therefore solicit all who feel an interest in its accuracy and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.

As the whole List is kept standing in Type and is published twice a Year, they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.

**G. Waddell, M. D.****Agent's for the Society.—Messrs. Mackintosh and Co. Calcutta.**

This Society was formed in March 1823, for the promotion of Medical enquiry, particularly of the East, and of the Sciences of Natural History as applied to Medicine. Members are divided into Resident and Non-Resident and Honorary Members, all of whom, with the exception of the last, must belong to the Medical profession. The Resident and Non Resident Members alone contribute to the funds, the former paying 12 Rupees quarterly and the latter the same sum half yearly, with an admission fee of one Gold Mohur.

At present the Society holds its Meetings on the 1st Saturday, of every month at the Asiatic Society's Apartments, Chowinghee, when papers are read and discussed relative to the objects of the institution.

**CALCUTTA PHRENOLOGICAL SOCIETY.**
